Message From the President

Greetings all! Happy March 2019! The Spring Fling is right around the corner! The Club has been very busy getting ready for this event! Location and dinner place have been secured. Registration information and the form are included in this newsletter. A Tour is scheduled at the California Automobile Museum near Old Sacramento on Sunday April 28, 2019, the day after the Spring Fling. Please indicate interest in attending this Tour when you send in your registration for the Spring Fling. Autorama was quite a success for the Club. Lots of folks enjoyed the Club's cars on display! We received a plaque for the Club, "Outstanding Club/Group Display" and \$100.00. Congratulations and thank you everyone who participated, including the efforts putting the display together, as well to Leo for providing a Corvair engine.

A Corvair driving tour to Riverview Lodge in Antioch on March 10th is planned to meet up with the San Francisco Corvair Club for a fun day! Let's meet at Leo's (park in the front) 2980 Allan Ave, West Sacramento on Sunday around 10:30 a.m. and then drive along the river on Highway 160 to the Riverview Lodge. Details are listed in this newsletter under events. Please attend!

Items up for discussion at the next club meeting:

California Automobile Museum: The Museum has sent the word out to have another display for Corvairs. If interested, will need to coordinate with the museum on dates. The cars on display will need to be in the museum for a month.

Corvair Resources and help: the draft document was emailed to the Club members in the hopes of adding to the resource document. If possible, please email me back with resources, mechanics, parts, etc. so that I can update the resources document.

If you have any other ideas, suggestions or inquiries, please feel to contact me at: (916) 365-6589 or email me at: Johnh1@thegrid.net
