Corvair Chatter

Message From the President:

Hello fellow Club Members: Happy Thanksgiving! May you and your families have a wonderful Thanksgiving!

Short newsletter this month. Reminders, Officer nominations will be taken up for officer positions and up for renewal. Two Corvair engine work parties are being scheduled. Christmas Party RSVP's and payment is due no later than November 19th. The Newsletter is in transition of being handed over to Club member Ken Edwards. Thank you Ken!

Club member Mr. Hess suggested that the Club consider entering at a minimum of 10 Corvairs for the next Serrano Concours event and Club member Mr. Smirlis suggested adding to the newsletter once a month, a brief article on club members Corvairs. All excellent recommendations!

Another suggestion is to have our club meetings moved to once a month on Sundays for an early morning breakfast meet up and then a cruise. Location of cruise decided at the breakfast meet up.

November Club Meeting, Due to Thanksgiving week, We will have our Club meeting on November 17th.

CCRC Christmas Party: December 5th, 2021. Members \$20.00 each and for non-members, \$25.00, Prime Rib, Turkey, Salads, desert. Volunteer gift exchange, try not to exceed \$20 for the gift exchange. Sister Swing will provide the singing entertainment! The Flyer is provided again on the last page of the newsletter.

Meeting Minutes

By Erin Sicard

October 27, 2021 – Club Meeting Minutes:

Meeting at 7:00 p.m. Eighteen (18) members were present.

Plans are in progress for the next work party sometime in November. There are two member requests for assistance, Larry and Ken. The club's 2022 calendar has sold out. Thank you everyone who participated and purchased the calendars. Their may be extras. So attend the Club meeting on the 17th.

The October meeting was called to order by president John Heiser at 7pm. 18 members were present. Introductions of existing members were given for new members Danny and Carol Rohde. Recent events were reviewed. The Palm Springs Great Western Fan Belt Toss had seven members in attendance and the Sterling Restoration Event in Fairfield had a good turnout of the San Francisco Corvair Club and a few of our members. Discussion at this event for a possible joint show with other clubs at this same location or a possible alternate location with more foot traffic. Planning will be ongoing for this event, possibly to occur in the Spring. Our club Christmas party will be held on Sunday, December 5th beginning at 5pm at Sun City in Roseville. Tickets are \$20 per member and will include a buffet dinner and entertainment. New business items were further discussion of the Christmas party and a motion of two tiered pricing was made for \$20 tickets for members and immediate family and \$25 tickets for non-members. 16 members voted in favor, 1 against and 1 abstention; motion carried.

The November meeting will be held on 11/17 due to the Thanksgiving holiday and at this meeting, nominations will be taken for officer positions up for renewal. Open for nomination are the President, Vice-President, Treasurer, Historian and Activities. Wes Nicholas presented the treasurer's report of expenses, expenditures and upcoming expenses for events. He also narrated recent events surrounding the attempted sale of the "Rampy Campy" previously owned by the club, now residing in Florida.

Old business of nametags purchase and new logo proposal were reviewed. Classic Impressions Awards will be used for either magnet or pin nametags for all members. Orders will not be taken until a new logo has been decided upon. Further edits have been made to options for the new logo and will be brought to the next meeting for further review.

Member Larry announced that he has found a supplier of engine perimeter seals that work well on early model Corvairs that are less expensive than other options he has found. These seals can be purchased at J Bugs.com and are approximately \$35. Members were reminded of the various Cars & Coffee options and encouraged to attend.

Secretary Erin announced that the National Corsa organization has a special discount on virtual memberships for \$25/year until 12/31/21. Also, the national is asking for local chapters to share their newsletters and it was recommended that we share ours. Erin reminded members that the November meeting date as scheduled was the Wednesday before Thanksgiving and it was decided that the November meeting would be held the week prior on Wednesday 11/17. Meeting adjourned at 8:02pm. Next meeting will be held at the Orangevale Denny's on Wednesday, 11/17/21.

CCRC Club Member Assistance:

CLASSIC CORVAIRS of RIVER CITY CLUB MEMBERS

In the last year, our club has lost at least six members with cars that participated in club outings. It is getting more difficult to get a respectable number of cars at club-sanctioned events. Car shows, concours, the Autorama and State Fair participation require strong showings. We may not be invited back to the State Fair this year due to our poor showing last year.

In order to get more cars on the road, the club leadership is offering assistance to members that have Corvairs that need help to get them running. This help will be in the form of technical expertise, mechanic labor and financial assistance.

If you have a Corvair that is in need of work, contact John Heiser and give him the details on what you require in the way of help. A committee will review the requests and select those we think are the best candidates. Remember the goal is to get more Corvairs at our club events. Those chosen will be expected to participate and help the club increase the number of cars that we put on display.

Great Western Fan Belt Toss 2021 - Highlights

1963 Monza SS Concept Car

www.deansgarage.com

The 1963 Chevrolet Corvair Monza SS concept car made its public debut at the 1963 New York Auto Show. [Larry Shinoda](#) and [Tony Lapine](#), working under [Bill Mitchell's](#) directions at the GM Design Studio, designed the SS roadster.

The SS was based on a shortened Corvair platform with a fiberglass body. The engine, left in its stock location, behind the transaxle was a six cylinder, air cooled Corvair engine that featured a unique intake manifold fitted with six carburetors and a modified exhaust system that exited through special side outlets. With a wheelbase of just 88-inches, the rear mounted engine helped give this short wheelbase roadster a comfortable cockpit, featuring fixed seats with adjustable pedals and the added benefit of a small luggage compartment.

The "U"-shaped windshield was five inches high and swept around the entire passenger compartment to the rear of the doors. Headlights were concealed and the rear fin behind the driver included a built-in roll bar. The SS was equipped with four-wheel disc brakes, magnesium wheels and was only 30-inches tall.
