Special Christmas Edition

Merry Christmas CCRC Members!

Christmas time is a beautiful time of year. For many of us, it is the time we celebrate the birth of our Savior, Jesus Christ. Christmas is a joyous time of season that moves us to brightly decorate our homes and surround ourselves with family we love.

For some of us, this may not be a warm or joyous time of year. For one reason or other, their joy may be overshadowed this year by unexpected events that have occurred. My prayer is that their spirit will be lifted this Season and next year will be their brightest yet!

2015 Christmas Gathering

Our annual Christmas Gathering was held at the Old Spaghetti Factory, Sunday, December 6th. I'd like to thank Carl Funk for putting that together and also for putting Christmas cards together for each attendee with their picture included. Nice job Carl!
